President Report

It's nearly the end of February and the holidays seems like a distant past though it's nice to have the many long weekends that happen at this time of the year. Hope everyone still getting plenty of R and R.

Cricket is nearing the end of its season and I hope the good weather remains so our teams get to play as many games as possible. Good luck for a successful and enjoyable end to the season.

Hockey planning is now well underway with the first round of trials complete. Relevant details are included in this newsletter so please make sure of the details important to you. Please also complete any tasks, such as registration forms, as this supports the Club Officials with ongoing planning for the season. Good luck to all those competing for spots in our competitive teams, I hope you achieve the result you wish for.

The Executive is also busy completing the Financial Accounts for audit, and preparing the Annual Report. Thank you to all those who provided a team report to the Sports Reps in the time frame required.

WISC Ball.....

This event is going to be one of the best on the Club social calendar in recent times. It's a chance to dress up and socialise with your friends and there a great live band to dance the night away to as well.

Please get behind this event and contact one of the people named on the poster for your tickets. Its less than a month away so please hurry – you wouldn't want to miss it.

NZISA U23 Tournament – 27th and 28th February.....

Details of this tournament are provided on the first page of this newsletter. On behalf of the Club I wish our U23 Mens Team, their coach Dharmesh Lala and manager Jayesh Patel a successful and enjoyable tournament.

If you can get to the turf to watch these games I am sure you will get to see some great hockey and I know our team will appreciate your support.

AGM – 20th March 2016.....

It's that time of the year again. To all members/players your presence at this meeting would be supportive and encouraging to the current and future Executive of the Club. Please lock down the 20th March 1.00pm and attend this meeting. Further details will be in the March newsletter.

I also ask that if you have not been on the Executive before you seriously consider contributing this year. Many of the current Executive are unsure whether they will return for another year so there will be a need for volunteers. If you are interested in a particular or any position please contact myself, Rupal or Bhavana for further information.

We will definitely need Reps for Cricket and Hockey – Junior and Senior. Under the current Club policy if there is no rep there is no sport. This isn't to penalise players – we are a volunteer organisation and many of us now find ourselves time-poor so to do more than one role on the Executive is just too hard. Please think about this seriously.

CONDUCT On and Off the Field.....

Just a friendly reminder to all (players and spectators) that our affiliated Sporting Bodies - WHA, Cricket Wellington, NZISA – take serious issue with any conduct that breaches their Code of Conduct rules. At a recent conduct hearing it was highlighted that circumstances surrounding an incident were not a defence in terms of why you breached a conduct rule i.e. abusing someone who first abused you. The old adage “turn the other cheek” and “treat others the way you would want to be treated” are important if you do not want to find yourself at the receiving end of penalties / suspensions. But if you are subjected to any kind of abuse while playing or watching one of our teams please let the Sports VP or President know immediately so that we can take report such behaviour to the relevant sporting body.

GOLDEN Oldies Tournament.....

Christchurch Indian Sports Club is hosting the bi-annual Golden Oldies Tournament on 22nd October 2016. They are also hosting the NZISA Golf Tournament on 23rd October with Monday 24th October being Labour Day.

For Golden Oldies, players over the age of 35+ for Women and 40+ for Men are welcome. You do not need to be a player to attend the event. It is a good way to catch up with many friends and relatives from around the country. If you would like more information or to be connected to a team so you can play please email president@wisc.org.nz. Please note all costs for the weekend are borne by each individual.

NZISA Golf Tournament 2017.....

While Christchurch is the host for this year's tournament WISC has taken on the hosting rights for 2017. Please email president@wisc.org.nz if you are keen to be involved in the organisation of this tournament.

JOINT Fundraising this Year.....

The WIA and WISC Joint Fundraising Committee have decided not to have a Bazaar in March as has traditionally been the case. They have found there are too many big events like the Newtown and Kilbirnie Festivals, Chinese New Year Festival and others to compete with. They may consider a Bazaar later in the year. Watch this space for their alternative fundraising ventures for this year.

CONGRATULATIONS to our very own Chuni Bhikha who has earned selection to the New Zealand Masters Mens 55+ World Cup Squad. Masters hockey isn't for the faint hearted so Chuni's selection shines a light on his talent and commitment to his sport. The World Cup is in Canberra from 29th March to 6th April. On behalf of the Club I wish Chuni an outstanding tournament and an awesome experience being part of such a big and successful event.

And finally I'm looking forward to 2016 being a great one for the Club and its members both on and off the field.

Cricket Report

Hi everyone,

Hope you had a good Christmas and a good new year. Cricket season is nearly coming to an end with only five weeks to go. All the teams are doing well in their respective grades, with our WISC NZ DESI team are heading to the final for the 1day league, all the best boys. Congratulations to the WISC DESI BOYS for winning their one day final this weekend.

All the best to all the teams for the next few games.

Thanks
Shailesh Patel
