President's Report

Junior Finals Day

It was a day of changeable weather and mixed emotions, but the overwhelming feeling was pride in the way our Juniors conducted themselves. It was pleasing to see so many family and friends out supporting these young players.

Our P1 Girls team gave it their best shot but were no match for a very slick Karori team, who have been the in-form team all season. 2nd is still a very good result though and I hope the girls are feeling good about their overall season.

The P1 Boys team were out to make up for the previous week and after a nail-biting last 10 minutes came out winners, finishing 3rd for the season. Their last game was a great way to finish the season.

All our junior teams have now finished their season and I hope that every player had an enjoyable one. To all our juniors (and their parents) moving on to college next year, thank you choosing WISC as your Club, and I hope you will come back to play for us sometime in the future.

Thank you

With both the senior and junior hockey season over, I would like to take this opportunity to thank all of those people who took on roles as coaches, managers and team organisers. All teams and clubs need people like you and on behalf of the Club I sincerely thank you for your contribution to our WISC players.

Awards Night / Junior Prizegiving

With the end of the season come our events to celebrate the successes of the season, the players who excelled and the administrator of the year. This year we have a new award – Team of the Year. There are lots of teams meeting the criteria for automatic nomination for Team of the Year, being a WISC team (social or competitive) that has won their grade in the most recent winter or summer season – who will be the inaugural winner? Will it be the Mens Premier 2 hockey team (C team), the Mens Reserve 1 hockey team (Indians 6 team), the Womens Reserve 2 hockey team (Social Womens), the Mens A (NZ Desi) cricket team, or the Mens B (Desi) cricket team?

Details of both these events can be found later in the newsletter and I invite you all to attend.

Sports Vice-President Report

This September the Reps and I have been very busy with the various sporting codes. With both the junior and senior hockey seasons finishing and the upcoming commencement of the cricket season (in October) there is always something to do.

On Saturday 24th September, we are holding the WISC Awards night. A fun filled night is in store including the unveiling of the new award WISC Team of the Year. This award will be given to WISC's most all round team. Come along to see who wins this new award as well as the prestigious Sportsperson of the year award, the team MVP's and the Daji Lala Administration award. There will be an official photographer for players, supporters and club members to capture the amazing night. Do not forget to get a photo with your team mates, friends and family members.

Another item we have been working on in the background is uniforms. This year we struggled to provide new players with uniforms, and many of the existing uniforms are simply worn out. The reps are investigating options for new uniforms by getting quotes and examining fabrics/styles.

Annual Reports

This is a reminder for ALL team coaches, captains and team reps both competitive and social that your team reports for the Annual Report are now due. Please ensure that they are sent to sportsvp@wisc.org.nz.

Over the next months will be looking into:

- Pre-season training options for hockey and cricket - more details to follow
- Booking the gym and turf slots of U23s hockey trainings and trials
- Booking the turf slots for the Mens and Womens hockey trials for the 2017 winter hockey season (tentative dates are in February and March 2017)
- Booking the turf slots for Mens and Womens winter training slots for the turf and gym
- Securing hockey coaches for the Mens and Womens A & B Teams for the 2017 winter season
- Reviewing the player policy for hockey
- Reviewing the selection process for hockey trials for the 2017 season
- Player feedback sessions for hockey and cricket
- Writing up the competitive trial process for senior cricket
- Making senior cricket more visible within the wider club
- Formalising the senior cricket coach
- NZISA Cricket tournament
- Ensuring senior cricket starts smoothly
- Ensuring both cricket and hockey codes have all equipment available to start their seasons.

If you have any questions, thoughts or you want to share around any of the above please don't hesitate to contact me on sportsvp@wisc.org.nz.

Gymnasium Report

Gymnasium News

The 34 halogen gym lights will be replaced with new fittings to cater for LED lights which will be installed prior to the end of the year. We are trying to organise the work and apologise for any inconvenience to gymnasium users who will be required to vacate the gym for approximately three days while the work is being undertaken. We will have a better idea on timing shortly, and details will be posted on the noticeboard in the gymnasium.

We have a number of vacant time slots at present, if anyone is keen to use the gymnasium, please contact the gymnasium managers.
